CALLING ALL REGISTERED NURSES AND PHYSIOTHERAPISTS

Are you looking to increase your knowledge and skills in continence promotion and management?

National Conference on Incontinence Scholarship Program

Funded by the Department of Social Services, 10 scholarships are available to support nurses and physiotherapists working in continence care in rural and remote areas to attend the 24th National Conference on Incontinence, November 25-28, 2015, in Melbourne.

Applications are invited from:

• continence nurse advisors
• community health nurses
• women’s health nurses
• continence and women’s health physiotherapists
• physiotherapists with an interest in continence and women’s health.

Applicants must be currently registered and be able to demonstrate that continence management is a key part of their role. Applications close September 18, 2015.
